Memo No. 315

14 July 1945

To: 1-2 Berne

Subject: Baron Luigi PARRILLI

1. This office was visited this date by OSS SI-SO representative Bill Nabarro from DNB-Land.

2. Discussion with him led to an exchange of views on Subject and it was learned that:

a. Subject's account of his "daring" exploits for the Allied government vary somewhat from the account given by captured SD personalities.

b. That Subject is rushing about DNB-Land as an outstanding hero of the war.

3. Aside from the evidence obtained by this office with reference to Subject's earlier activities (prior to the year 1945) with the GIS, we are anxious that Nabarro be allowed to examine the CSDIC reports of Dr. THUEGEL that bear on operation "WOOL" and Subject; particular attention is invited to the part that clearly defines Subject's actual activities and status in the initial efforts to provide a medium for peace negotiations between the German and Allied Armies.
